

# Spelling Patterns and WWNTK

## Year 4 Spring 2

Learning **spelling patterns** helps children to read, spell and write words.

Each week, children explore a spelling pattern that they practise regularly in class.

Children are also expected to find words that fit the spelling pattern when reading independently at home.

**WWNTK** (Words We Need To Know) are a mixture of words children frequently use in their writing and those which they often misspell.
