Learning Conversations

This term's Learning Conversations will take place during the week beginning 2nd October between 9:00am and 7:30pm.

The Learning Conversations are an opportunity to talk to your child's class teacher about how they have settled into their new class, their current attainment and progress, and how you can support them with their learning.

The school will be using our usual online booking system, which allows parents to book their own appointment time. You will have the option of booking a face-to-face meeting which will take place in our Jubilee Dining Hall or an online meeting. Once your meeting is booked, you will receive an email confirming your appointment time.

Appointment times will be available to book from 6pm today. Bookings will close on Wednesday 27th September at midday.

In order to book your Learning Conversation, you will need to use your School Cloud account. If you do not yet have an account, please follow the guidance below.

Setting up a School Cloud Account

Please visit <https://hamsteljuniors.schoolcloud.co.uk> and fill in the boxes with your information to create your School Cloud account.

Please ensure you use your child's full legal name when completing their details otherwise your account will not be recognised by the school's Information Management System and you will not be able to book your child's Learning Conversation.

If you have any questions or need any additional help setting up an account, please contact the school office.

Yours sincerely
Hamstel Junior School
