

Tuesday 16<sup>th</sup> April 2024

**Year 3 Geography**  
**Tuesday 23<sup>rd</sup> April – 3P and 3H**  
**Thursday 25<sup>th</sup> April 3R, 3L and 3D**

Dear Parent/Carer,

As part of our geography topic this half term the children have been learning about the physical and human features of our local area.

The children will be using the skills they have been learning in class to map the key features of the local area. This will involve walking from the school to Cumberland Avenue and back.

Your child will not need anything in school specially for the trip but should have a coat and comfortable shoes. This trip is covered by the *Consent Form for School Trips* which parents sign when their child joins the Junior School.

If you have any questions or concerns, please contact your class teacher via the school office.

Yours sincerely

Mrs Reeves  
Year 3 Lead
