5th October 2023

Harvest Celebration

Our children will be learning about harvest in next week's assembly. As part of our celebration of harvest, children may bring in food from Monday 9th October until Thursday 12th October to donate to the Southend Food Bank which we are supporting again this year.

Please see the message below from our school council:

We would be grateful for any donations - anything you can spare to support this worthwhile cause. We will accept tinned foods, packets of rice, pasta, cereals and sugar - anything non-perishable. We will then display some of the items collected in our special harvest assembly on Monday 16th October to show what working together as a whole school can achieve.

Sam - 6D

Thank you in advance for your generosity.

Yours sincerely

Mrs Farrell

Headteacher and School Council Lead
