Year 6 Mini Triathlon Event Tuesday 30th June 2026

Dear Parent/Carer,

We are very excited that our year 6 children will be participating in the Brownlee Foundation Mini Triathlon Event at Garon Park on Tuesday 30th June 2026. The children will walk to the venue, accompanied by school staff who will remain with them during the event.

As this event is part of our PE curriculum, we expect all children to attend. It is non-competitive, designed to be fun and inclusive and introduce children of all abilities to the sport of triathlon (swimming, cycling and running). Please complete the attached permission form and return it to school by Thursday 25th June.

Lunch

Your child will need **a packed lunch** with them on the day as they will eat after the Mini Triathlon. If you would like your child to have a school packed lunch or they are eligible for free school meals, please order one at least two days before the event.

Choices – swimming distance/depth and bike/scooter

Your child will be able to choose the distance that they swim and whether they remain in the shallow end of the pool if they are not a confident swimmer.

Bikes and helmets will be provided. If your child is unable to ride a bike, scooters are available instead.

Please indicate your child's choices on the attached form.

Spectators

Unfortunately, spectators are **not** permitted at this event.

On the day

Your child needs to come to school **wearing their swimwear under their Hamstel maroon shorts and Hamstel PE top**. They will need to be wearing their **trainers**.

They will need to bring a **bag** containing the following items:

- **their school uniform**
- **another pair of black shoes/trainers**
- **a towel**
- Goggles (if they wish)

Photo permission

Please see the **attached** information sent from the Brownlee Foundation about photo permission.

Achievement

If your child completes the swim/walk across the pool, cycle/scoot and run, they will receive a **medal and goody bag** as they cross the finish line. In this goody bag, there will be information about how your child can continue to stay active.

Yours sincerely
Miss Eldridge
