### Key Points for the 2027 application round

- [Applications](#) can be made between **1 September 2026 and 31 October 2026**
- You must apply to your home authority which is your child's normal place of residence – if you pay Council tax to Southend-on-City City Council you apply to Southend [here](#)
- You can find a guide for making an application [here](#)
- If you registered with the CSSE or completed a SIF with a school, it is important that the child's name, surname and date of birth used are the same as on the application so it can be matched to the application.
- You can put forward up to 5 preferences
- As always, we recommend one of your preferences is your catchment school to ensure your child has priority at least at one school.
- Look up at the catchment school for your postcode is available [here](#)
- You can have a mixture of schools in the city and outside the city on your Southend application.
- On time applications must be submitted by **midnight 31 October 2026**. You cannot amend your preferences after the 31 October 2026.
- If your child is out of usual age range, please email the admissions team before you attempt to apply.

### Open days, Information Events for Southend-on-Sea Secondary Schools

## Key Points regarding the CSSE selection test (11+)

- Access entry information, special arrangements, guidelines and notification forms, request practice material and free familiarisation papers via the CSSE website; [www.csse.org.uk](http://www.csse.org.uk) and the 2027 [guide](#).
- You do not need to tell Southend-on-Sea Council the result your child received
- The pass mark is 303 is for all children.
- You are advised to use all 5 preferences and include non-selective schools in your preferences in case your child does not reach the 11+ pass mark.
- We recommend you include both the girls or both the boys' schools and consider the faith schools and Shoeburyness High to maximise your options if your child is successful in reaching the pass mark
- Your child cannot be considered for a selective place if the pass mark was not met for Southend High School for Girls, Southend High School for Boys, Westcliff High School for Boys and Westcliff High School for Girls.
- Your child can not be considered for a selective place if the pass mark and priority area is not met for a selective place at St Bernard's High School and St Thomas More High School.
- Shoeburyness High School considers the pass mark and children that passed with a borderline result of 295-303

## Frequently Asked Questions

The answers to most questions will be found in the Secondary Admissions Booklet 2027 which is available on line on [www.southend.gov.uk/admissions](http://www.southend.gov.uk/admissions). Some common questions and answers are noted below.

**What does order of preference mean?** You are asked to select up to 5 schools in order of preference. The school you want most should be number 1, your second preference number 2 etc. If you want your child to do the 11+ and attend a grammar school then you must state the grammar school as the higher preference.

**Does putting a school as a higher preference affect my chance of getting into another school?** No, when you apply for a place the school will not know your order of preference. Only you and the Council will know. Your chances of getting offered a place are not affected by the preference you put. Places are offered in line with the school's admission criteria.

**What are admissions criteria?** If the school is oversubscribed these are the categories used by the admission authorities to rank applications in order. All schools give first priority to Looked After Children. These are generally followed by those with older siblings already in the school, those in the catchment area then those living outside the catchment area. Each schools criteria is detailed in the Secondary Admissions Booklet 2027 or will be shown in the school prospectus.

**Am I guaranteed a place at my local catchment school?** No. There are no guarantees for any places. However, we would advise that you put your local catchment school as one of your preferences. Check your catchment area on our interactive catchment area map available on the councils website [www.southend.gov.uk/admissions](http://www.southend.gov.uk/admissions).

**When will I know which school my child is to be offered a place at?** If you applied on-line you will be advised on 1 March 2027 by email. If you used the paper form, letters will be sent out by second class post on National Offer Day .

**What happens if I miss the closing date of 31 October?** Do not miss the closing date. Applications received after the closing date are classed as late applications which are not considered until after all "on time" applications have been processed. Your child's application will be disadvantaged if you apply late.

**Do I have to apply for five schools?** No, but the fewer schools you apply for, potentially the lower your chances are of getting a preference offer. Our advice is to apply for five schools and if doing the 11+ ensure that you have both selective and non-selective schools in your preferences.

Apply online between 1 September 2026 and 31 October 2026

**If I think my child will pass the 11+ should I only apply for the school I want?** Our advice is to use all five preferences. We recommend that you select both of the boys or both of the girls grammar schools and to also consider the faith schools and other partially selective schools in the city. We also recommend that you include your catchment school as one of your preferences to ensure your child has priority at least one school. These tips will maximise your chances of securing one of your preferences.

### **Does every child get offered a school place?**

Every child that has applied will get an offer of a school place on 1 March 2027.
