Dear Parents and Carers,

The Portico Academy Trust is actively seeking a new Trustee from across our five schools to join our existing Trustees.

Our Trust Board works collaboratively to create rigorous yet friendly governance to support our children to receive the best education, every day, in every classroom. The Board is made up of local professionals with experience in education, finance, HR and property.

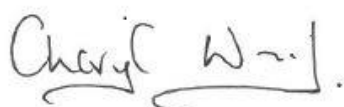

Our Trust is in a strong financial and educational position which we aim to maintain by ensuring we have a solid mix of financial and operational expertise at the helm. We are looking to welcome **a community-spirited chartered accountant** to join our Board to complement the financial expertise already in place.

Our Trustees meet as a full board once per term, with an additional two finance committee meetings per term. Trustees are also aligned to a school for regular Learning Walks to gain a true insight into life in our schools.

We feel this is a wonderful opportunity for an accounting professional to collaborate with our existing team and contribute expert knowledge in order to support our academic staff and teams to provide the best learning experiences for our children, so they leave our schools well prepared for their future lives with enthusiasm for learning.

If you would like to discuss this opportunity further, please contact me as the Portico Academy Trust CEO on ceo@porticoacademytrust.co.uk for a discussion, and to answer any questions you may have.

We look forward to hearing from you,

Mrs Cheryl Woolf
CEO, Portico Academy Trust.
