Year 6 Adventure Week

10th – 12th June 2024

Dear Parent/Carer,

On the 10th, 11th and 12th of June 2024, children who are not attending the Kingswood residential trip will be undertaking three days of extra-curricular activities at school as part of Adventure Week. These activities will take place during normal school hours.

In addition to these extra-curricular activities, we are proposing an evening activity and overnight stay on the school grounds for the children on Tuesday 11th June. This would include preparing and cooking their own dinner; an outdoor activity; a fully-supervised overnight stay in the Centenary Hall and eating breakfast at school in the morning.

Before we can finalise any plans, we need to know the number of children who would be interested in these options and whether they are viable.

Options

A. Activities during normal school hours only

B. Activities during normal school hours plus evening activities (children to be picked up from school at 8pm)

C. Activities during normal school hours plus evening activities and overnight stay (children would return home at the end of the day on Wednesday 12th June).

Please complete the online [Year 6 Adventure Week Form](#) before Friday 8th December to indicate which of the above options you would be interested in for your child. Once we have an idea of numbers, we will let you know further details.

Yours sincerely

Mrs Dunn

Year 6 Lead
