Welcome to the Juniors Meeting

Dear Parent/Carer,

We would like to extend a very warm welcome to you and your family as your child begins their journey with us in Year 3.

We understand that moving to junior school is an exciting milestone and that, as parents, you may have questions about how learning develops as children progress into Key Stage 2. To help you gain an insight into life at our school, we would like to invite you to a Year 3 Welcome to the Juniors Meeting.

- Date: Thursday 17th September
- Time: 9am until 9:45am
- Venue: Centenary Hall

During the meeting, members of the Year 3 team will share information about our approach to the teaching of reading, writing and mathematics, including the strategies we use to help children become confident, enthusiastic and successful learners. We will also explain how you can support your child's learning at home.

Please complete the short online form if you would like to attend the meeting in order that we know how many parents will be joining us: [Year 3 Curriculum Meeting Form](#). Entry will be via the green gate next to the junior bike sheds (to the left of the main office) at 8:55am.

The meeting will be a valuable opportunity to:

- Meet the Year 3 team.
- Learn about our curriculum and expectations for Year 3.
- Understand how reading, writing and maths are taught at our school.
- Find out ways to support your child's progress at home.

We hope you will be able to join us and look forward to meeting you. By working together, we can ensure that your child has a happy, successful and enjoyable start to their junior school experience.

Unable to attend? You can find out more about the Year 3 curriculum on the [school website](#). You will also have an opportunity to speak with your child's class teacher and look through their books during this term's Learning Conversations, which will take place during the week beginning 12th October. Information about how to book a Learning Conversation will be sent to all parents shortly.

Yours sincerely

Mrs Reeves

Year Group Leader
