

Creating Your Own Stone Age Costume

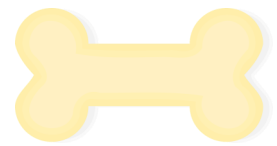

We really don't want you to spend any money on this special day so we have listed some ideas below to help you.

Humans in this era dressed themselves up in what the land could provide so useful materials such as faux fur would be ideal for dressing as a Stone Age human.

Things you could use:

- Faux fur
- Faux/toy bone
- Old brown t-shirt and trousers
- Faux animal print fabric
- Bone necklace
- Hairspray
- Comb
- Wigs (the messier the better!)
- Brown face-paint (to show the dirtiness of the Stone Age era!)

Costume Ideas

Find a brown or natural coloured t-shirt, roughly cut up the edges of the sleeves and bottom of the T-shirt. We would suggest legging style trousers to go with the T-shirt.

Use any of the following: faux fur, faux animal print fabric, toy bone or bone necklace.

To finish the look off, either wear a wig or back comb the hair to look messy. Stone Age humans didn't have the luxury of having a bathroom so they often looked very dirty; your child could wear some brown face paint to look like dirt.

Be as creative as you like!
